Welcome to the 2025 Spring Fair

A number of clubs within Rugby have combined their resources to bring you this entertaining community event which also provides an opportunity for you to meet and support a number of local charities directly. We have a great many new attractions at the fair this year and are sure you'll have an enjoyable time.

Introducing Rotary

Rotary is a global network of more than 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

As Rotarians, we give our time to voluntary work as well as fundraising and organising events. The proceeds raised from today's Spring Fair will be donated to a variety of local charitable causes.

There are 3 Rotary clubs in Rugby. The Rotary Club of Rugby meets on the 1st and 3rd Friday of the month at lunchtime. The Rotary Club of Rugby Saturday Breakfast meets for breakfast every Saturday morning. The Rotary Club of Rugby Dunsmore meets on Tuesday and Thursday evenings of each month. Please call into the Rotary hospitality tent to find out more about the projects we are involved with.

Introducing Rugby Round Table

We all know friendships are essential, but for men under 45, strong male friendship groups offer a unique set of benefits that can impact every aspect of our lives. Ready to reap the rewards of a strong men's friendship group?

Whether it's sports, gaming nights, or weekend adventures, having a group to share your passions with adds a whole new level of enjoyment. It's a well-documented fact that men build close friendships through shared experiences. In Round Table we aim to create incredible experiences in your community and internationally.

Rugby Round Table is part of the Round Table Family. Rugby Round Table is open to men aged 18-45. Our sister organisation Ladies Circle is open to women of the same age. 41 Club and Tangent represent the interests of members over 45 years old. Round Table is a truly international organisation with over 30,000 members in 60 different countries.

Introducing Rugby Heritage Lions Club

Established in the second half of 2024, Rugby Heritage Lions Club is a vibrant and active group of volunteers who dedicate their time and energy to serving the community and continuing the proud heritage of Lions Clubs around the world. The club's members range in age from early 30s to 70s, each contributing their time and efforts to make Rugby a great place to live. Established in 1917, Lions Clubs International now has almost 1.4 million members around the world and all are very proud that every penny raised from public contributions goes directly to support charitable causes. We draw no salaries and take no expenses so when you drop £1 into that bucket, you know that the whole £1 will directly benefit someone in need.

We also welcome any opportunity to work alongside other local community interest groups, adding additional resources and people where needed.

Rugby Heritage Lions Club are an open and inclusive 'family' and we welcome members from all backgrounds, fully embracing diversity and inclusion on all levels. So, if you have some free time and would like to have fun, make great friends and help others, come and talk to us. Just look for the Rugby Heritage Lions logo.

O₂ Hyper Health

Hyperbaric Oxygen Therapy

Hyperbaric Oxygen Treatment (HBOT) is a non-invasive, painless treatment which involves breathing pure oxygen by mask or nasal cannula at higher than atmospheric pressures in an enclosed chamber.

This process causes oxygen to be absorbed by all body fluids and by all body cells and tissues, even those with blocked or reduced blood flow. This method of oxygen therapy improving our overall health and giving the body an extra ability to perform at its best and helping to speed up the natural processes, such as healing.

O₂ Hyper Health Hub
*Your Local Wellness
Partner in Rugby*

Benefits of HBOT

- Increased perfusion to damaged tissues, Hyperbaric Oxygen Therapy, increases the amount of blood flow in your body by increasing oxygen concentration in your blood plasma. This helps get more oxygen to tissues that need it most - especially areas like your brain and arteries. Increased perfusion can reduce swelling after an injury or surgery and help heal wounds faster than without.
- Improved energy levels
- Collagen and skin cell renewal
- Reduced inflammation
- New stem cell production and mitochondrial healing (repairing damaged mitochondria in the cells which produce energy for the body.)
- Reduce pain
- Improved and enhanced immune system
- Reduce stress, fatigue and problems with sleeping
- Accelerate the metabolism process
- Fast detoxification for body

Why Choose O₂ Health Hub?

- **Local Business**
Proudly serving the Rugby community with personalized care.
- **State-of-the-Art Facility:**
Equipped with the latest hyperbaric oxygen therapy chambers.
- **Experienced Team:**
Professional and caring staff dedicated to your well-being.
- **Holistic Approach:**
Combining traditional and advanced therapies for optimal health.

Every child deserves a childhood.

Every day in the UK around 11 children and young people find out they have cancer. A diagnosis that can change their entire lives.

At Shine a Light, we've made it our mission to help children, young people, and their families, hold on to the things that matter. From providing a place for a child living with cancer to play to a safe space for their families to find help and support, we are here for them.

Help support
our vital work

Our charities

Myton Hospice

At Myton they focus on enhancing life when cure is no longer an option; supporting people living with a wide range of terminal illnesses, and their families, from the point of diagnosis to end of life.

New Directions

New Directions is an inspiring, vibrant, local charity that supports people with learning disabilities and their families and carers to lead a full and valued life and works in a real partnership with them.

Grandmentors Volunteer (Warwickshire)

They are an innovative project that sees older volunteers use their lifetime of skills and experience to support young people leaving the care system.

Hill Street Centre

A venue for the Rugby community of all ages, providing educational opportunities, social activities and more – delivered in an inclusive, safe and caring way by a team of passionate people

Rugby Food Bank

They provide three days' nutritionally balanced emergency food and support to local people who are referred to us in crisis. They are part of a nationwide network of foodbanks, supported by The Trussell Trust, working to combat poverty and hunger across the UK.

The Survivors Trust

A national membership organisation supporting specialist rape and sexual abuse services in the voluntary sector.

Zoe's place – Coventry

A Baby Hospice supporting babies and young children who have complex illnesses or disabilities from birth to age five.

We are here, for Rugby.

And we're committed to your local high street, as we have been for generations at our branches across Leicestershire and Warwickshire.
