Welcome to the 2026 Spring Fair

A number of clubs within Rugby have combined their resources to bring you this entertaining community event which also provides an opportunity for you to meet and support a number of local charities directly. We have a great many new attractions at the fair this year and are sure you'll have an enjoyable time.

Introducing Rotary

Rotary is a global network of more than 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

As Rotarians, we give our time to voluntary work as well as fundraising and organising events. The proceeds raised from today's Spring Fair will be donated to a variety of local charitable causes.

There are 3 Rotary clubs in Rugby. The Rotary Club of Rugby meets on the 1st and 3rd Friday of the month at lunchtime. The Rotary Club of Rugby Saturday Breakfast meets for breakfast every Saturday morning. The Rotary Club of Rugby Dunsmore meets on Tuesday and Thursday evenings of each month. Please call into the Rotary hospitality tent to find out more about the projects we are involved with.

Introducing Rugby Round Table

We all know friendships are essential, but for men under 45, strong male friendship groups offer a unique set of benefits that can impact every aspect of our lives. Ready to reap the rewards of a strong men's friendship group?

Whether it's sports, gaming nights, or weekend adventures, having a group to share your passions with adds a whole new level of enjoyment. It's a well documented fact that men build close friendships through shared experiences. In Round Table we aim to create incredible experiences in your community and internationally.

Rugby Round Table is part of the Round Table Family. Rugby Round Table is open to men aged 18-45. Our sister organisation Ladies Circle is open to women of the same age. 41 Club and Tangent represent the interests of members over 45 years old. Round Table is a truly international organisation with over 30,000 members in 60 different countries.

Introducing Rugby Heritage Lions Club

Established in the second half of 2024, Rugby Heritage Lions Club is a vibrant and active group of volunteers who dedicate their time and energy to serving the community and continuing the proud heritage of Lions Clubs around the world. The club's members range in age from early 30s to 70s, each contributing their time and efforts to make Rugby a great place to live. Established in 1917, Lions Clubs International now has almost 1.4 million members around the world and all are very proud that every penny raised from public contributions goes directly to support charitable causes. We draw no salaries and take no expenses so when you drop £1 into that bucket, you know that the whole £1 will directly benefit someone in need.

We also welcome any opportunity to work alongside other local community interest groups, adding additional resources and people where needed. Rugby Heritage Lions Club are an open and inclusive 'family' and we welcome members from all backgrounds, fully embracing diversity and inclusion on all levels. So, if you have some free time and would like to have fun, make great friends and help others, come and talk to us. Just look for the Rugby Heritage Lions logo.

"The service and support that Nicola & Liz gave us during our recent move was nothing short of superb and really emphasises that you get what you pay for. I understand that Fine & Country are dearer than most agents, but they really aren't like most other agents. The way they ensured our move went smoothly represented real value for money and we would have no hesitation in using them again in the future." J Walker

Every child deserves a childhood.

Every day in the UK around 11 children and young people find out they have cancer. A diagnosis that can change their entire lives.

At Shine a Light, we've made it our mission to help children, young people, and their families, hold on to the things that matter. From providing a place for a child living with cancer to play to a safe space for their families to find help and support, we are here for them.
